## Update on proposed acquisition of Australian Executor Trustees

EQT Holdings Limited (ASX:EQT) ("Equity Trustees") today confirmed it has now received the Ministerial Approval required to acquire Australian Executor Trustees Limited ("AET"). Federal Treasurer, the Hon Dr Jim Chalmers MP, has provided the approval pursuant to section 601VBB of the Corporations Act 2001.

Receipt of Ministerial Approval was a condition precedent to completion of Equity Trustees' acquisition of AET. The remaining conditions precedent are yet to all be satisfied, but material progress is being made and at this stage it is expected that the acquisition will become unconditional in order to meet the targeted acquisition completion date of 30 November 2022.

Equity Trustees, AET and AET's current owner, Insignia Financial Ltd, are well advanced with transition planning. AET employees have signed new employment agreements with Equity Trustees and the client contact program is well progressed.

This is a transformative acquisition for Equity Trustees, and is aligned with its focus on being the leading specialist provider of trustee services in Australia.
