

FACT SHEET: EQT TAX AWARE AUSTRALIAN EQUITY FUND

About the Fund

The EQT Tax Aware Australian Equity Fund offers a diverse portfolio comprising of high-quality companies that are currently included in, or suitable for inclusion in the ASX 200 index. The companies are selected through Equity Trustees' proprietary **Quality At a Reasonable Price (QARP)** investment process which identifies quality companies with an attractive industry structure, strong balance sheets, robust return on equity, substantial cashflows and good management.

We believe quality companies will outperform over the longer term and a portfolio of quality stocks will provide some downside protection when the market falls.

Investment objective

The Fund is designed for investors seeking strong medium-long term capital growth potential, coupled with an increasing income stream payable from the dividends of the underlying shares. There is a distinct focus on the after-tax returns offered to investors.
