

# EQT TAX-AWARE DIVERSIFIED FUND

## About the Fund

The EQT Tax Aware Diversified Fund has exposure to a mix of asset classes by predominantly investing in underlying managed Funds. The Fund provides exposure to Australian and International shares, Property, Fixed Interest, and Cash.

The Fund is actively managed to maximise after-tax returns for tax-exempt or lower tax paying investors. The Asset allocation decisions are undertaken by the Head of Asset Management in consultation with the Asset Allocation Committee and considers a broad range of macro and micro indicators.

### Investment objective

The Fund aims to provide investors with moderate income returns and capital growth over medium to longer term.

The Fund is suited to long-term investors seeking a diversified investment in shares, property, fixed income, and cash.

### About the Manager

Equity Trustees is the investment manager of the Fund. It is a wholly owned subsidiary of EQT Holdings Limited, established in 1888 by an act of the Victorian Parliament to provide trustee and executor services.

Equity Trustees is a financial services provider offering a broad range of products and services to a diverse client base, such as large institutions, superannuation funds, corporate trusts, philanthropic investors, not-for-profit organisations and individual investors.

Equity Trustees has an experienced team of investment professionals managing circa \$4.5bn across the various asset classes as well as offering multi manager investment solutions to our clients.

## ESG and Other Considerations

Equity Trustees recognises the importance of labour standards and environmental, social or ethical considerations in investments.

Equity Trustees believe that certain environmental, social and corporate governance issues may impact the sustainable value of businesses. ESG factors are taken into consideration as part of our investment process.

## Benefits of Investing in the Fund

- Active management of asset allocation decisions by experienced investment committee.
- Tax-aware strategy where the investment manager will take taxation considerations into account in order to optimise after-tax returns.
- Active management within asset classes by high quality and experienced investment managers.
- Potential for lower volatility of returns due to appropriate diversification and exposure across asset classes, geographies, investment managers and style.
- Regular reporting to keep you up to date on your investments.
