

EquitySuper Update

EquitySuper upgrades its member online services

In response to feedback from members, EquitySuper is currently releasing enhancements to its member online service, EquitySuper Online. You can now change your investment strategy for your current balance, future contributions or both, using our enhanced investment switch transactions.

In addition we have started to introduce Smart Forms that are pre-populated with your details and allow additional information to be typed directly into the form, saving you time and effort. The Super Consolidation Smart Form now makes it easier to transfer other super balances into EquitySuper. More Smart Forms will be released throughout 2012.

In addition, the user interface has been upgraded to make it easier to navigate through the menu. We'll keep listening to your feedback and progressively make enhancements to the site, so watch this space. If you do not currently have access to EquitySuper Online then simply go to <https://www.wealthpac.com/eqtsuper/home/eqtsuperlogin.aspx> to register.

This document contains general information only and does not take into account the investment objectives, financial situation or needs of any particular individual. Before making any decision to invest in the fund, all members should read and consider the relevant Product Disclosure Statement ('PDS'). You can obtain a PDS by contacting Client Services on 1300 659 799 (local call cost) or by visiting www.eqt.com.au.
