By subscribing for Shares in the Class A Donating Shares, YOU are electing to forgo all entitlements to any distributions generated as a result of their investment in that Class, instead seeking to donate any income that would otherwise have been distributed to you in favour of a charity. Any distributions generated by the Class A Donating Shares will be paid on instruction by the Directors into an externally managed donation account registered in the name of the Distributor and operated and controlled by the Charities Aid Foundation ("CAF").

The distributions received by the external donation account will on at least an annual basis be allocated to a hybrid of investments and charities that will use the investments/donations to support female empowerment. For further information on how the donation account is managed and how allocations are made please visit www.globalimpactinitiative.com.au.

Shareholders in the Class A Donating Shares should be aware that taxes may be incurred in connection with the disbursement of the distributions. Shareholders are further advised that the donation of these distributions might not be tax-deductible, or may be tax-deductible only under certain circumstances.

You should make your own inquiries and obtain independent, expert tax advice regarding your individual situation in terms of the tax treatment of the distribution and the associated donation that is made in their name.

CRS Customer Information Notice

The CRS was developed by the OECD as a new global standard for the automatic exchange of information between tax authorities in participating jurisdictions. A Multilateral Competent Authority Agreement was signed on 29 October 2014 in Berlin at the Global Forum on Transparency and Exchange of Information which will implement CRS in more than 90 jurisdictions, including Ireland. Under the CRS, governments of participating jurisdictions are required to collect detailed information to be shared with other jurisdictions annually. A group of over 40 countries, including Ireland, have committed to the early adoption of the CRS from 1 January 2016 with the first data exchanges taking place in September 2017. All EU member states, except Austria, introduced the CRS from 1 January 2016; Austria will introduce CRS from 1 January 2017.

Under Irish laws giving effect to the CRS, the Fund will be required to obtain and report to the Revenue Commissioners annually certain financial account and other information for all new and existing Shareholders in respect of their holding of Shares in the Fund. This information will include amongst other things, details of the name, address, TIN, place of residence and, in the case of Shareholders who are individuals, the date and place of birth, together with details relating to payments made to Shareholders and their holdings. All Shareholders will be required to provide this information to the Fund.

This information is being collected and reported to the Revenue Commissioners by the Fund to enable the Revenue Commissioners to exchange this information with tax authorities in participating jurisdictions who have signed up to the Multilateral Competent Authority Agreement. Presently, the Fund will be required to collect and report this information in respect of all Shareholders in the Fund, irrespective of where they are resident. It is expected that where a Shareholder is resident in a jurisdiction which is participating in the CRS, the information submitted by the Fund to the Revenue Commissioners will be shared by the Revenue Commissioners with the tax authority of that participating jurisdiction. It is expected that where the Revenue Commissioners determine that a Shareholder is resident in a non-participating jurisdiction, no further use will be made by the Revenue Commissioners of the information submitted by the Fund. The precise requirements of the CRS as implemented in Ireland are not yet known and may impose additional due diligence, systems and administrative burdens and costs on the Fund and/or its Shareholders. Further information may be obtained from the AEOI (Automatic Exchange of Information) webpage on revenue.ie - <http://www.revenue.ie/en/business/aeoi/index.html>
