

THE TERRY AND MAUREEN HOPKINS FOUNDATION

APPLICATION GUIDELINES

HOW GRANTING DECISIONS ARE MADE

The Foundation supports:

- Research to address the current gaps in knowledge of the underlying causes of dementia and AD and the mechanisms that underpin disease progression,
- Improvements to dementia diagnostic tools and technologies,
- Research to develop new treatments that aim to slow or even halt dementia progression,
- Evidence-based clinical and care-setting practices that support wellbeing and promote quality of life.

The Foundation will invite applications from suitable organisations for funding up to \$50,000 per annum and may consider supporting multiple year funding agreements.

ELIGIBILITY

The Foundation can only consider requests from organisations that:

- Have an Australian Business Number (ABN)
- Are registered with the Australian Charities and Not-for-profits Commission (ACNC), and
- Are a Deductible Gift Recipient level 1 (DGR1)
